

We, the family of Utah State Park Ranger Brody Young, who was shot in the line of duty on Friday, November 19, wish to thank the communities of Utah and Colorado, in particular the police officers and medical teams that responded so quickly and efficiently. We are grateful for the outpouring of prayers and support.

We also want to thank the mother of the suspect for coming forward with essential information to aid the authorities. Our thoughts and prayers are with her and her family for their heartbreak. We are especially grateful to all those who are involved in the search and investigation efforts. We pray that no one else will be hurt.

Brody is in serious but stable condition and is being cared for by the staff at St. Mary's Hospital and Regional Medical Center. At this time, we are unable to grant interviews. Thank you for your patience and understanding during this stressful time.

Cards and letters may be sent to:
